What's new?

FACE SCRUB

smooths, improves skin tone, unlocks the pores

babassu nut oil, mango butter, blackberry juice extract, vitamin E

Exfoliating face scrub is the first step in skin care routine. Thanks to the unique formula and active ingredients, it gently but effectively removes impurities, evens the skin tone and makes the skin glow.

99% ingredients of natural origin

50ml

FACE CREAM

moisturizes, regenerates, fights the first signs of aging

stem cells from oranges, green coffee oil

A natural face cream that combines a wealth of nutritious ingredients with a light formula, perfect for daily care. Orange stem cells, thanks to the richness of proteins, lipids, carbohydrates and mineral salts, stimulate the regeneration of the skin and inhibit the first signs of aging. Green coffee oil moisturizes and firms the complexion.

STRAWBERRY BODY LOTION

soothes, moisturizes, nourishes the skin

shea butter, allantoin, grape oil

Shea butter gently smooths and nourish the body. Allantoin and urea soothe irritation, moisturize and soften the skin. The composition of almond and grape oils, thanks to the content of antioxidants and a complex of vitamins, slows down the aging process and restores the skin's healthy glow.

ANTI-CELLULITE BODY BUTTER

anti-cellulite, minimizes fat tissue,
moisturizes

caffeine, L-carnitine, shea butter

Body butter was created to protect the body against cellulite and stretch marks. The active components: L-carnitine and caffeine stimulate the reduction of fat cells by accelerating metabolism and restraining the activity of free radicals.

SHOWER AND BATH GEL

cleanses the skin, nourishes, relaxes

arnica extract, rhodiola rosea extract

The natural bath and shower gel thoroughly cleanses the skin, leaving it silky smooth and soft. Thanks to the rhodiola rosea extract relaxes and reduces tiredness.
